City of XYZ's commitment to host the 13th European Urban Resilience Forum (EURESFO)
Dear Mr. Teubner,

With this letter, please be informed that the City of XYZ is interested and prepared to host the 13th European Urban Resilience Forum (EURESFO) and agrees to the requirements as outlined in the conference bidding package.

We propose to hold the conference in xxx (date and/or month).

The City of XYZ commits to meet all mandatory requirements listed in the bidding package as of July 2025.

The City of XYZ is informed and is aware of the overall costs that such events in the past have generated and commits to cover the necessary conference budget after concrete contract negotiations. The City is prepared to sign contracts no later than November 2025.

We look forward to welcoming the participants of EURESFO and organising a sustainable event that promotes action on the local level.

Yours sincerely,
