ABOUT UNITED NATIONS DEVELOPMENT PROGRAMME IN UKRAINE

As the development arm of the United Nations, UNDP supports strategic capacity development initiatives to promote inclusive growth and sustainable human development. Through partnerships with national, regional, and local governments, civil society, and the private sector, UNDP strives to support Ukraine in its efforts to eliminate poverty, develop people's capacity, achieve equitable results, sustain the environment, and advance democratic governance.

ENVIRONMENTAL AND ENERGY POLICY REFORM FOR INNOVATIVE GREEN AND CLEAN ECONOMIC GROWTH

UNDP contributes to climate change mitigation and adaptation, and development towards a low-emission and climate-resilient economy, by removing policy bottlenecks, developing market mechanisms, and assisting municipalities in implementing energy-efficient solutions.
